Dear DRRHS Families,

The Dighton-Rehoboth Regional School District continues to monitor student, staff, and community wellness during these difficult times. Currently, due to the District's compliance with the state's close contact tracing and mandatory quarantining, the high school is experiencing a temporary shortage of critical staff. As a result, in collaboration with district administration, Dighton-Rehoboth Regional High School will be temporarily closed to all students and staff starting Monday, December 14th, through Wednesday, December 16th, with an anticipated reopening date of Thursday, December 17th.

During this closure, instruction will shift to full remote. Therefore, all student cohorts are expected to engage in remote learning from December 14th- December 16th. Attendance will continue to be taken every block. Please continue to monitor your email and the school's website for important updates from the DRRHS administration.

Thank you for your continued support.

Sincerely,
