Dighton Garden Club Annual Scholarship

Dighton Garden Club is currently accepting applications for its annual scholarship, a \$500 second-semester scholarship available to a graduating high school senior who attends school in Dighton, either Dighton-Rehoboth Regional High School or Bristol County Agricultural High School.

Applicants must have been accepted into an accredited college and plan to attend school in the fall of 2021. Applicants must plan to major in some area of natural science, including agricultural sciences, agronomy, botany, environmental sciences, forestry, horticulture, landscape architecture/design, marine biology, natural resource management, plant sciences, or soil and crop sciences.

Applications are available from guidance counselors in Dighton-Rehoboth Regional High School and Bristol County Agricultural High School. **Application materials must be completed and received by April 1, 2021.**

The scholarship is contingent upon the successful completion of the student's first semester of school and forwarding a copy of these grades to the Dighton Garden Club. The grades should reflect a minimum 3.0 grade point average. Once the club has received the qualifying grades, the Scholarship Committee will review them and payment will be made directly to the student in the amount of \$500.

Sincerely,

Charlene Roderigues and Joy Windle
Co-Presidents
Dighton Garden Club

Scholarship Application - Dighton Garden Club
