

To watch a video or listen to audio from your *myPerspectives* print Student Edition:

1.  Download Pearson's BouncePages App from the Apple App or Google Play Store.
2. Open the app on your mobile device.
3. Aim your camera so the page from your Student Edition is viewable on your screen.
4. Tap the screen to scan the page.

5. Press the "Play" button on the page that appears on your device.
6. View the video or listen to the audio directly from your device!
